“We have just got back from honeymoon and wanted to say a huge thank you to all the staff at Pembroke Lodge for making our day so special and amazing. We were so impressed from the start with the most beautiful venue I could imagine. And we have not been disappointed since.

We had a hugely difficult task in trying to tie together three very different cultures but you managed impressively well with our questions and needs in the lead up to the wedding. The administration and pre wedding meetings were highly professional, responsive and efficient – going the extra mile to turn them into something really enjoyable. And managing to give a highly personal experience despite what must have been your busiest season. On the day itself we thought our MC was incredibly amazing – highly professional, efficient and organised, yet easy going and friendly – a perfect balance which I imagine is difficult to achieve with such ease. Together with the rest of the staff you all helped to make it run extremely smoothly, especially considering as we had so much going on. We would definitely recommend you!”

We just wanted to write and say a thank you to all at Pembroke Lodge for being so wonderful, both in the lead up to our wedding and on the day itself. When I walked into the venue for the ceremony and then later for the reception all the decorations which we spent so long choosing and collecting were set up exactly how we imagined.

I tried to pick items that would highlight how beautiful the Lodge is and you all made it a reality. We had a beyond fabulous day and our guests loved every minute of it too. From the moment I was helped out of the car on the big day I knew you would look after us. Thank you all so much – we had the best day...

THANK YOU LETTERS

The following are a very small selection from hundreds of thank you letters we receive from our happy couples. These are available for you to read upon request.

We just wanted to convey our sincere thanks to everyone at the Lodge for our recent wedding day. From all the preparation in the months leading up to the wedding right up to the day itself your help and assistance was second to none.

We were both blown away by how beautiful the room looked when it was set for both the ceremony and then for dinner.

Many guests commented on how attentive and discreet the waiting staff were, and we definitely agree. The food was delicious, again something on which many of the guests commented. We both had a really fantastic day and we are so glad we chose Pembroke Lodge as our wedding venue.

We are writing to express our absolute delight and gratitude for the simply superb wedding provided for us at Pembroke Lodge. We were not disappointed in our expectations for the wedding due to the exquisite professionalism and service at every single point of contact with us and our family and friends. The wedding breakfast was delicious, a perfectly balanced menu and the portions were just right.

We loved the expert and watchful way your MC provided his services. No detail went unnoticed, we only had to give him the slightest of nods to have our needs instantly addressed. The fact that we couldn't get our guests to leave is witness to the simply superb experience we had from start to finish. Please know that we shall sing Pembroke Lodge's praises to the rafters on each and every occasion possible.

WOW!!! A massive thank you to everyone at Pembroke Lodge for making our big day run so smoothly. Nothing was too much trouble – despite some pretty random requests – and everyone commented on the amazing location, delicious food and super helpful staff.

We could not have asked for anything more, from the very first viewing through to collecting bits and pieces the next morning.

Thank you. If only we could do it all again....

We would just like to say that we could not have been happier with our wedding at Pembroke Lodge. From our first meeting to the day itself you were friendly and personal which, given the amount of weddings you hold, was much appreciated. On our wedding day our MC worked tirelessly to ensure ourselves and all our guests were happy and he was truly amazing. We have had so many comments from our guests as to how wonderful they found the reception. The food was delicious which was no mean feat when catering for such large numbers.

All that remains to say is a big thank you and hope that all future weddings are as delighted as we are that we chose Pembroke Lodge for our special day.
